PETER [REDACTED]
JACKSONVILLE, FL

Dear PETER [REDACTED]

We have recently been notified by an industry reporting service of a public record involving you and your activities. In light of this report, we find it necessary at this time to discontinue service to your account(s) below:

X77-[REDACTED] and 209-[REDACTED]

Effective immediately, your account(s) will be restricted from allowing you to open additional securities positions. You are free, however, to close or withdraw any securities positions or cash balances that may exist in your account(s). Be advised that trading via the web or the automated phone system is not permitted. Additionally, check writing and/or debit card features have been deactivated.

In reference to your tax-advantaged account(s) (IRA, Roth IRA), we suggest that you establish an account with another financial institution and submit a transfer of account request to that firm.

Please contact a Fidelity representative at (800) 544-6666 to close any security positions or to request a redemption check. *Please note that Fidelity representatives will not discuss information contained in the received industry report.*
